

Listes des plantes mellifères à prioriser :

Arbres :

Acer campestre	Crataegus monogyna	Prunus cerasus
Acer campestre 'Elsrijk'	Crataegus persimilis	Prunus domestica
Acer campestre 'Nanum'	'Splendens'	
Acer platanoides	Crataegus x lavalleyi	Prunus padus
Acer platanoides	Crataegus x lavalleyi	Prunus persica
'Cleveland'	'Carrierei'	Prunus serrulata
Acer platanoides	Fraxinus excelsior	Prunus serrulata
'Globosum'	Fraxinus excelsior	'Amanogawa'
Acer platanoides 'Olmsted'	'Jaspidea'	Prunus serrulata 'Kiku-
Acer pseudoplatanus	Fraxinus excelsior 'Nana'	Shidare-Zakura'
Acer pseudoplatanus	Fraxinus ornus	Pyrus calleryana
'Brillantissimum'	Fraxinus ornus 'Meczec'	'Chanticleer'
Acer pseudoplatanus	Gleditsia triacanthos	Pyrus communis
'Prinz Handjery'	Gleditsia triacanthos	Robinia hispida
Acer saccharinum	'Sunburts'	'Macrophylla'
Aesculus hippocastanum	Gleditsia triacanthos	Salix acutifolia
Aesculus hippocastanum	'Globosa'	'Pendulifolia'
'Baumanii'	Juglans regia	Salix alba
Aesculus x carnea	Laburnum anagyroides	Salix babylonica
Aesculus x carnea 'Briotti'	Laburnum anagyroides	Salix caprea
Alnus glutinosa	'Pendulum'	Salix caprea 'Kilmarnock'
Alnus incana	Liquidambar styraciflua'	Salix cinerea
Betula nigra	Liriodendron tulipifera	Salix daphnoides
Betula papyrifera	Malus floribunda	Salix viminalis
Betula pendula	Malus purpurea 'Elei'	Salix x sepulcralis
Castanea sativa	Malus sylvestris	'Chrysocoma'
Catalpa bignonioides	Malus domestica	Sophora japonica
Catalpa bignonioides	Malus 'Evereste'	Sophora japonica
'Aurea'	Malus 'Red Sentinel'	'Pendula'
Catalpa bignonioides	Mespilus germanica	Sorbus aria
'Nana'	Platanus acerifolia	Sorbus aucuparia
Cornus nutallii	Populus balsamifera	Tilia americana
Corylus colurna	Populus canescens	Tilia cordata
Crataegus crus-galli	Prunus armeniaca	Tilia platyphyllos
Crataegus laevigata	Prunus avium	Tilia x euchlmora
Crataegus laevigata	Prunus avium 'Plena'	Ulmus carpinifolia
'Plena'	Prunus cerasifera	Ulmus glabra
Crataegus media 'Paul's	Prunus cerasifera 'Nigra'	
Scarlet'		

Arbustes :

Amorpha fruticosa Berberis julianae Berberis vulgaris Buxus sempervirens Caragana arborescence Ceanothus sp. Colutea arborescences Cornus mas Cornus sanguinea Corylus avellana Cytisus scoparius Euonymus europaeus Frangula alnus	Halesia carolina Hibiscus syriacus Hippophae rhamnoides Ilex aquifolium Ilex aquifolium 'Pyramidalis' Ligustrum vulgare Ligustrum ovalifolium Parotia persica Photinia davidiana Photinia x fraseri 'Red Robin' Prunus spinosa Prunus surbhirtella	Pyracantha coccinea Ribes nigrum Ribes rubrum Ribes sanguineum Ribes uva-crispa Rosa canina Rubus idaeus Sambucus nigra Sambucus racemosa Symphoricarpos sp. Taxus baccata Viburnum lantata Wisteria sinensis
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Sous arbrisseaux :

Calluna vulgaris Daphne mezereum Erica carnea Erica cinerea	Erica tetralix Hedera helix Hypericum calycinum Lavandula angustifolia	Lonicera nitida Rubus caesius Thymus serpyllum Thymus vulgaris
----------------------------------------------------------------------	---------------------------------------------------------------------------------	-------------------------------------------------------------------------

Bulbeuses :

Allium schoenoprasum Allium ursinum Crocus chrysanthus (C. hybridus)	Dahlia variabilis Galanthus nivalis Hyacinthoides non- scripta	Muscari botryoides
-------------------------------------------------------------------------------	-------------------------------------------------------------------------	--------------------

Annuelles et bisannuelles :

Althea rosea Angelica sylvestris Aquilegia vulgaris Articum lappa Borago officinalis Brassica napus subsp. Napus Centaurea cyanus Cheiranthus cheiri	Cirsium arvense Cirsium vulgare Echium vulgare Epilobium angustifolium Fagopyrum esculentum Helianthus annuus Medicago sativa Melilotus albus	Papaver orientale Papaver rhoeas Phacelia tanacetifolia Pisumsativum Reseda odorata Synapsis arvensis Taraxacum officinale Verbascum densiflorum Verbascum thapsus
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Vivaces :

Ajuga reptans Aster alpinus Aster sp. Aubrieta sp. Campanula medium Campanula rotundifolia Campanula trachelium Coreopsis lanceolata Doronicum orientale Epilobium hirsutum Eupatorium cannabinum Filipendula ulmaria Glechoma hederacea Helleborus niger Heracleum sphondylium	Hypericum patalum Kniphofia uvaria Limonium vulgare Lobelia fulgens Lythrum salicaria Medicago lupulina Melilotus officinalis Onobrychis viciifolia Origanum vulgare Petasites hybridus Polemonium caeruleum Polygonum amphibium Polygonum lapathifolium Prunella vulgaris Salvia pratensis	Sedum acre Sedum spectabile Solidago virgaurea Stachys annua Teucrium scorodonia Trifolium hybridum Trifolium incarnatum Trifolium pratense Trifolium repens Trifolium resupinatum Tussilago farfara Valeriana officinalis Vicia cracca Vinca minor
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------
